

Membership Benefits

FREE

Membership is FREE and includes a Complementary Project Review

Farm Energy NI offer a package of 'Membership Benefits' and a range of optional but highly relevant 'Business Services' to our members.

“The membership benefits are second to none. I particularly enjoy the network events and catching up with everyone.”

Roy McFerran, Co Fermanagh

Membership Benefits include:

- Complimentary Project Review
- Provision of an OFGEM Audit File
- Regular news and updates
- Tailored reports and market intelligence
- Opportunities to access money saving Business Services
- Participation at FENI network events and experts
- One-to-One professional support and advice
- Half-Hourly Data Analysis & Reporting
- Offers and discounts
- Invitation to the annual conference
- Collective representation on consultations and policy

Business Services include:

- Market leading trading of Renewable Obligation Certificates (ROCs)
- Admin free Power Purchase Agreements (PPA's)
- Green Energy Supply Contracts
- Renewable asset operation and maintenance
- Asset performance reporting and optimisation
- Wind turbine sourcing and repowering
- Energy Storage Solutions – design, specification and supply
- Project Finance
- Asset Insurance
- Renewable Energy Investment Bonds
- Specialist Consultancy & advice
- Site acquisition

Other Membership Benefits will continually be developed through member feedback and as the marketplace, innovation and rural energy landscape changes over time. Our Business Services are offered to members through Farm Energy NI Trading. These services are either delivered in house directly or via recommended third party suppliers.

Membership Types & Joining

FENI has two types of membership. Individual Members who can join for FREE, and Associates who are charged a small fee. To find out more about joining FENI, please complete our membership application form or go to our website

www.farmenergyni.co.uk/membership, or contact 028 7930 0606

Individual Members

Farm and rural businesses, renewable energy generators and developers, community organisations or co-operatives, not-for-profits, NGOs

Associates

Agencies or organisations that support FENI's objectives, companies who can offer complimentary services to individual members

Core Values and Objectives

FENI acts like a co-operative and our activities are managed for the sole benefit of our Members.

FENI Values & Principles:

- democracy and equality
- honesty and openness
- social & environmental responsibility
- member economic participation
- opportunities for learning and innovating
- concern for the community & surrounding lands
- co-operation among members

Objectives

The objectives of FENI shall be to act for the sole benefit of its members, in the business of:

- the development, installation, management, operation, generation, transmission and provision of the supply of energy from renewable energy sources
- the conservation of energy through advice on energy efficiency products, services and activities
- the promotion of awareness of environmental and related issues and support for educational initiatives related to renewable energy
